**Q&A a Day for the Soul**

365 Questions, 5 Years, 1,825 Answers

The newest journal in Potter’s bestselling series focuses on mindfulness and well-being.

In the classic format of the original Q&A a Day 5-Year Journal, this newest installment offers 365 questions that foster introspection and increased self-knowledge. Journalers can watch their responses gather layers of meaning as they return to the same prompts from new perspectives over a five-year period. A perfect gift for those embarking on a new phase in their lives or celebrating a milestone birthday.

**Do One Fun Thing Every Day**

An Awesome Journal

The newest prompted journal in the bestselling Do One Thing Every Day series—for kids!

This chunky, colorful journal is packed with prompts encouraging kids to unplug, think outside the box, and explore the world around them. Daily prompts range from mindful check-ins and drawing exercises to questions based on quotes from favorite children’s books like *Harry Potter* and *Wonder*. They will engage kids who are learning to love reading and writing and those who already do.

Illuminated Playing Cards
Two Decks for Games and Tarot

A radiant set of playing cards to be used for classic card games or tarot readings.

Illuminated Playing Cards is a stunning card set that is sure to charm guests at your next game night. Two standard playing card decks are packed in a luxe, textured box with metallic details along with an instructional pamphlet that outlines four classic card games and an easy, three-card tarot reading. For those interested in learning more about the meaning of tarot, the pamphlet also explains the symbolism behind each playing card.

Dreamer’s Journal
An Illustrated Guide to the Subconscious

This vibrant, visual exploration of dream symbols is the ultimate resource for recording and interpreting dreams.

Filled with information about common dream symbols and plenty of room for free-writing, the clothbound, foil-stamped Dreamer’s Journal is a timeless keepsake for those who want to analyze their sleeping mind. Complete with dazzling artwork and thoughtful writing prompts, Dreamer’s Journal is a must-have for anyone who is curious about the meaning behind their dreams.

Caitlin Keegan
is a Brooklyn-based illustrator and designer, a graduate of the Rhode Island School of Design, and creator of The Illuminated Tarot.
The Beginner’s Guide to Crystals

A full-color, photographic guide to more than 65 crystals and their emotional, spiritual, and physical healing benefits.

Complete with clean, modern photographs of each mineral and stone, the crystal profiles in this guide contain accessible information on color, chakra, origin, unique magical healing qualities, and more. With tips for building and maintaining a collection as well as performing rituals, The Beginner’s Guide to Crystals provides everything you need to experience the many benefits of crystal healing.

How to Breathe

25 Simple Practices for Calm, Joy, and Resilience

A practical guide on how breathwork can help you face everyday situations.

In How to Breathe, breathwork expert Ashley Neese gives guidance for channeling the power of your breath to help you tackle common challenges such as de-stressing, managing anger, and finding connection. Using customized practices that Neese has created for clients over the last decade, you’ll see how small shifts can have a huge impact.

ASHLEY NEESE is a renowned breathwork teacher and writer. She works with clients all over the world, including Buzzfeed, WeWork, and has been featured in Goop and MindBodyGreen. She resides in Oakland and Los Angeles, California.

Don’t Hate, Meditate!

5 Easy Practices to Get You Through the Hard Sh*t (and into the Good)

Meditation instructor Megan Monahan presents a no-nonsense guide for everyday soul-searchers.

Wouldn’t it be nice to not be completely leveled by missing a flight, seeing your ex’s engagement photo on social media, or losing your job? Plot twist: After reading this book, taking the quizzes, and doing the themed meditations… you won’t be! This modern guide presents a set of tools grounded in a meditation technique that is impossible to screw up.

Megan Monahan is a certified meditation instructor, and has been practicing and teaching Vedic Meditation in Los Angeles, California, since 2009.
Afoot and Lighthearted
A Log for Mindful Walking

A guided journal for those seeking new ways to unplug, get active, inspire creativity, and improve well-being.

For walkers who want to expand their creative and physical worlds through acts of mindfulness, Afoot and Lighthearted is the first journal of its kind. This log encourages readers to engage in a series of creative exercises, journaling prompts, and mindful walks as a means of detaching from technology, encouraging creative thinking, and promoting mindful self-care.

The Healing Magic of Forest Bathing
Finding Calm, Creativity, and Connection in the Natural World

A transporting forest bathing guide for anyone who wants to experience the healing benefits of nature.

Forest bathing is a traditional Japanese practice of luxuriating in nature and is practiced throughout the world to increase health and restore well-being. This book will guide you through a forest bath, from preparing for the journey and activities to do while forest bathing, to incorporating the inspiring benefits of time spent in nature—relaxation, energy, and creativity—into the rest of your daily life.

Forest bathing saved my life. Sounds dramatic, but it’s true. Through forest bathing, I’ve learned to live my own true life instead of the life I thought I was expected to live, based on where I came from, what my parents or peers expected from me, where I went to school and what I studied, or any other way we all end up living someone else’s life.

They say that the medicine you have to offer is the medicine that you need. The medicine I need is definitely forest bathing. And I take my medicine every day.

I’m a highly sensitive person and have experienced periods of inexplicable illness, intense anxiety, and debilitating depression. I first found my way to forest bathing while in design school in New York City. I had always been outdoorsy and felt best when hiking, surfing, climbing, or just adventuring in the great wild, but it wasn’t until I was living in Brooklyn and going to school in Manhattan that the lack of nature in my life became an all-encompassing itch that I could not scratch. My entire graduate thesis became about psychoterratica—the mental health effects of being disconnected from nature. It started as an academic live your life. begin the journey to reconnection.

The most important and fulfilling work we as humans can do on this planet at this time is to reconnect to ourselves, to one another, and to the natural world. All of the best stories of reconnection start in the same place: a state of total despair. The journey begins before you’re totally aware of it. The call to return to nature—your true nature—comes from deep inside and often manifests as chaos in life before you really begin to pay attention. If you slow down and take a moment to listen, you might hear the call before it elevates. This is the way of forest bathing.
A popular destination for van dwellers is Baja, Mexico. Every winter, van caravans assemble to head down the coast, escaping cold temperatures and seeking swell and fish tacos. For many, this is an annual reunion, a chance to travel with friends that may have different routes for the rest of the year.

**Vanlife Diaries**

Finding Freedom on the Open Road

A book celebrating nomadic living through interviews and more than 200 photos of rolling homes.

This inspiring look into the world of vanlife introduces a new generation of gypsies who have ditched conventional houses for the freedom of the road and the beauty of the outdoors. Photographs feature vanlifers, their pets, and their bedecked vehicles along with stories about their inspiration for downsizing, tips on van conversions, and hacks for working and living on the road.
Tiny House

Live Small, Dream Big

From the founder of @TinyHouse comes a chunky design book filled with photographs of the smallest abodes.

Designed to fit on the tiniest of coffee tables, this book has a die-cut cover and offers a window into an existence of simpler living and sustainable design. With interviews, smart tips, and 250 full-color photographs of the most miniscule, efficient homes around the world—including a beachfront shack, a hand-built tree house, and a bus-turned-camper—this small look book packs big inspiration.

The Home Edit

A Guide to Organizing and Realizing Your House Goals

A masterclass and look book in one from the Instagram-famous experts whose organizing eye-candy is the method everyone swears by.

Every space has the potential to function and look beautiful—even the dreaded pantry or bedroom closet. In The Home Edit, you’ll learn how to pare down your stuff, arrange it in a stunning way, and maintain the system so you don’t have to do it again. When you’re done, you’ll not only know where to find things, but you’ll also love the way it looks.

BRENT HEAVENER is a digital nomad, freelance online marketer, and founder of the #1 tiny house feed on Instagram.

Stars of Hello Sunshine and Critical Content’s Master The Mess, CLEA SHEARER and JOANNA TEPLIN are founders of The Home Edit. They live with their families in Nashville, Tennessee.
My Tiny Atlas

Our World Through Your Eyes

A wanderlust-inspiring collection of photos from some of the world’s most beloved, unusual, and astounding places.

From Tanzania and London to Tahiti and Mongolia, this book takes you all over the globe with an intimate, insider’s eye, and provides hidden insights into these unexpected destinations. Including over 200 photos of verdant flora, bustling streets, wild animals, and architectural gems, these uncommon views make you feel what it’s like to truly be in another place, whether or not you ever leave home.

The Tiny Mess
Recipes • Stories from Small Kitchens

A lushly photographed cookbook featuring stories and more than 40 recipes from tiny kitchens.

From sailboats to treehouses to cottages, this book takes you into intimate kitchens, showing you the fresh, colorful food they produce, and introducing you to the artisans, anglers, and farmers who cook in them. A range of inventive dishes includes Kitchen Sink Quiche, Nopal Cactus Salad, and Slow-Stewed Rabbit Tacos, alongside narratives about the contributors and their favorite small kitchen hacks.

Salt, Fat, Acid, Heat
A Collection of 20 Prints

Twenty stunning prints from the bestselling book Salt, Fat, Acid, Heat.

From Samin Nosrat’s New York Times–bestselling and James Beard Award–winning cookbook, Salt, Fat, Acid, Heat, these prints featuring Wendy MacNaughton’s spectacular art are printed on warm white, acid-free stock for a clean, crisp printing. They are perfect for kitchen walls, workspaces, or even as gift tags. Each print measures 8 x 10 inches and fits both a 10 x 12-inch frame or an 11 x 14-inch frame with mat.

MADIE GORDON is an illustrator originally from Sussex, England. MARY GONZALEZ is a farmer and vegan baker. TREYOR GORDON is a photographer and professional surfer. They each live in Santa Barbara, California.

Samin Nosrat is a chef, teacher, and author of the bestselling, James Beard Award–winning Salt, Fat, Acid, Heat. The New York Times called her “a go to resource for matching the correct techniques with the best ingredients.” Samin is an EAT columnist for the New York Times Magazine and can be found eating, cooking, and laughing in the “Salt, Fat, Acid, Heat” documentary series on Netflix. WENDY MACNAUGHTON is a New York Times bestselling illustrator and graphic journalist known for her unique approach to visualizing information and telling stories through drawing. In addition to Salt, Fat, Acid, Heat, her books include Meanwhile in San Francisco, The Gutsy Girl, Leave me Alone with the Recipes: The Life, Art, and Cookbook of Cipe Pineles, Knives and Ink, and The Essential Scratch and Sniff Guide to Becoming a Wine Expert. She is the back page columnist for the award-winning California Sunday Magazine. They both live in the San Francisco Bay Area.
Batch Cocktails
Make-Ahead Pitcher Drinks for Every Occasion
An accessible guide to batch cocktail making, with recipes that can be prepared ahead of time.

Cocktail hour is the most anticipated part of the evening for many guests, but can be the most stressful for the host. The solution is simple: batch your offerings before the party! This fun collection offers 65 delicious recipes that can be prepared hours—even weeks!—before serving, organized by flavor profile to make choosing and whipping up a perfect pitcher of drinks a breeze.

Higher Etiquette
A Guide to the World of Cannabis, from Dispensaries to Dinner Parties
A thoughtful primer on how to use cannabis politely in the modern era.

With more states legalizing recreational cannabis use, learning to be a courteous user is increasingly important (and expected). With this handsome, witty, and illustrated guide from the world’s most respected etiquette brand, you can master the art of proper pot use, including how to bring it to a dinner party, use it as a houseguest, present it as a gift, and more.

MAGGIE HOFFMAN is the author of The One-Bottle Cocktail. She founded the drinks section of Serious Eats and currently reviews bars for the San Francisco Chronicle. She lives in San Francisco, California.

Mari Andrew

Getting There
A Workbook for Growing Up

Record your journey to adulthood using the insight of Instagram sensation, Mari Andrew.

If anyone knows the trials and tribulations of becoming an adult, it’s Mari Andrew. Her Instagram posts that garner the most engagement focus on heartbreak, career changes, and self-discovery. This guided journal captures those universal themes for readers to document their own challenges and successes as they make their own way. Mari’s imaginative prompts and searching questions invite readers to explore and reflect upon important moments.

Little Gestures
Cards for Any Occasion

A bright postcard book bursting with heartfelt sentiments for every important moment.

This book of 50 postcards featuring original illustrations by Mari Andrew is the perfect way to add vibrant inspiration and encouragement to any gift, or to send for no reason at all. The postcards are divided into five categories (birthday, thank you, congratulations, just because, and empathy), making it easy to choose the perfect card. The cards also make sweet decor for an empty wall or desk space in need of a little personality!
The Wonderful Things You Will Be Growth Chart

Includes Stickers for Marking Growth Milestones

A charming, whimsical keepsake that will grow with your child from 0 to 60 (inches).

This beautiful, sturdily constructed growth chart is filled with bestselling author Emily Winfield Martin’s enchanting artwork. The eight panel chart is made of thick, coated paper and packaged in a hardcover sleeve with an envelope flap for storage when it becomes a keepsake. The elastic closure can be used to hang the chart on the wall and a sheet of stickers (both numbered and blank) is enclosed for noting birthdays and milestones.

One Minute Journal

It only takes 60 seconds and a flip of the sand timer to reflect on or kickstart your day.

Even the busiest folks can find a minute to spare. In those 60 short seconds, 204 million e-mails are sent globally and Earth’s surface travels approximately 16.6 miles. Journalers in a time crunch can complete a whole day’s journal entry by opening the One Minute Journal, turning over the removable sand timer, and writing until the minute is up. Prompts range from list writing and drawing to brainteasers, and more. Committing to journaling has never been easier.

Project 1. 2. 3.

A Daily Creativity Journal for Expressing Yourself in Lists of Three

Quick-journal your way to more compassion, creativity, and joy.

With a ribbon marker and full-color illustrations, this guided journal plays off the power of three by using the everyday tool of list making. Creative prompts help you capture special memories and moments in small bursts, leading you to make new connections and bring more happiness into your day-to-day life.

Robie Rogge is a New York City-based packager who has created guided journals for Chronicle Books and the Museum of Modern Art.

PARIS ROSENTHAL, the daughter of the author Amy Krouse Rosenthal, is a student at Quest University near Vancouver, Canada. Her book Dear Girl is a New York Times bestseller, and her work on her mother’s Project 1, 2, 3 on Instagram has been featured on Today.
Dot Journals
Your Key to an Organized, Purposeful, Creative Life.

A pair of elegant, practical, superbly designed dotted journals—one bound in classic black, one in gleaming gold.

From front to back, outside and in, these journals have been created to perform optimally for every use by the multipurpose journaler. The cover is durable and stain resistant, the paper is smooth, acid-free, opaque, and slightly thicker to prevent bleed-through. The dot matrix-patterned pages welcome grids, graphs, lists, charts, doodles, and designs as well as journaling. There is a ribbon marker for place-holding, an expandable folder design, and more proves that a great look starts from the ground up.

Everyone knows you can tell a gentleman by his shoes: not just his sense of style, but also how he cares for the things he loves. Throughout this book, you’ll find timeless sartorial tips—from where your pants should hit your shoe to the different ways of lacing up. With a cover that looks and feels like a well-crafted brogue, this is a great gift for dads, grads, and anyone who wants to step up their style.

How to Shine a Shoe

Ariella Chezar is the author of The Flower Workshop and the artistic director at FlowerSchool New York. She lives in Western Massachusetts and has appeared in O, Martha Stewart Living, and Real Simple.

Ariella Chezar is the author of The Flower Workshop and the artistic director at FlowerSchool New York. She lives in Western Massachusetts and has appeared in O, Martha Stewart Living, and Real Simple.

Camilla D’Errico’s paintings have made her a hit in the Pop Surrealism movement. She is the co-author of Pop Manga and author of Pop Painting, Pop Manga Coloring Book, and Pop Manga Mermaids and Other Sea Creatures. She is based in Vancouver, Canada.
In the years following my escape from slavery, both the conflict over that peculiar institution and the institution itself grew. Forces on both sides became increasingly violent. My dear friend John Brown took up arms in the Kansas territory, ... and mayhem. The blood on his hands made him both hero and villain, dividing not just a nation but abolitionists as well.

I found myself torn and uncertain whether I could condone the actions of Captain Brown (though I have often wondered if my trepidation was merely my cowardice masquerading as a moral conflict).

Shortly after Brown left Kansas stained in blood, the Supreme Court of the United States issued a decision in the case of Dred Scott v. Sandford, a case in which the enslaved Scott had sued his master for freedom after being moved to a free state. The Supreme Court ruled against Scott, stating that Congress did not have authority to exclude slavery from territories. As a result, the court declared that a person born in a territory could never be a citizen and, as a result, were not entitled to the rights guaranteed by the Constitution.

I began to consider the possibility that John Brown was correct: Slavery could only end through the use of force and, if need be, the loss of life. A hunted man, John Brown continued to plan his next attack against slavery while eluding those who would see him executed for his actions in Kansas. Nearly a month of that time was spent as a guest in my home.

Mark my words, Kansas was just the beginning, Frederick. Brown left my residence in late February, still planning his slave revolt, and seeking support for what I feared would be a campaign predestined to end in tragedy. At the proper time, I will send word of my readiness. Will you join him? He is not wrong, Anna. I fear an end to slavery can only come when the land is soaked in blood. If he calls upon me again, I will respond. At that time, I will make my decision.

More than a year had passed when John Brown sent word to meet him. Accompanying me to my clandestine meeting with Captain Brown was a man known as Shields Green, a runaway slave that I had been harboring for a considerable time.

Not knowing the date of my birth or the identity of my father, combined with the vague, fleeting memories of my mother that mock more than they comfort, haunted me as a child, and remain as burdens I carry to this day.
Renegade Women in Film & TV

A tribute to the trailblazing women who changed the way movies and TV shows are made.

Renegade Women in Film & TV celebrates the accomplishments of extraordinary women in entertainment, interspersing fascinating profiles with exclusive interviews from icons like Amy Poehler, Rita Moreno, Jessica Williams, Barbra Streisand, and more. With illustrations throughout, Renegade Women honors the pioneers who succeeded against all odds, changing their industry in front of the camera and behind the scenes.

Moon Lists

A Guided Journal

A collection of thoughtful prompts meant to encourage self-reflection.

For those of us who feel tethered to productivity, deadlines, and consumption of content, Moon Lists provides a respite from the chaos of everyday life. Just as the moon cycles through phases of darkness and light, the life of a creative, a student, an employee, and a parent also has a cyclical nature. With a nostalgic workbook feel and list prompts encouraging the collection of ephemera, Moon Lists is a perfect place to detach from your weekly pressures and cultivate your own self-reflection.
Marvel Studios

Captain Marvel Journal: Fly Higher!
A Daily Guided Journal

For the millions of Captain Marvel fans and super hero lovers, a prompted journal for tweens debuting just before the major film release on International Women’s Day in March 2019.

Publishing in time for Marvel Studios’ film, Captain Marvel, this empowerment journal is perfect for teens and tweens who want to find their inner strength like Captain Marvel. Packed with guided prompts, words of encouragement, and quotes from the film, the Captain Marvel Journal: Fly Higher! will inspire confidence and acceptance, encouraging kids to love themselves—and others—for who they truly are.

Captain Marvel School Planner: Be Bold, Be Brave
A Week-at-a-Glance Kid’s Planner with Stickers

Two hard-working school planners filled with official art from Marvel Studios’ movies Black Panther and Captain Marvel.

These spiral bound planners have everything a middle-schooler needs to stay organized in and outside the classroom. Each of the 52 week-at-a-glance spreads offers space for tracking classes and after-school activities, plus a place to note due dates for quizzes, tests, and projects. A dry erase page is bound in front of the planner so parents, teachers, and students can communicate. A super-cool sign language alphabet featuring superhero hands from the Marvel Cinematic Universe, a sheet of super hero stickers, and empowering, inspiring quotes throughout make these planners the most fun way ever to keep the school year under control.

MARVEL STUDIOS produces movies based on the world’s most prominent and iconic comic book empire. With a library of over 8,000 characters, Marvel Studios creates blockbuster film franchises including Iron Man, Black Panther, and Avengers: Infinity War.

For the millions of Captain Marvel fans and super hero lovers, a prompted journal for tweens debuting just before the major film release on International Women’s Day in March 2019.

Publishing in time for Marvel Studios’ film, Captain Marvel, this empowerment journal is perfect for teens and tweens who want to find their inner strength like Captain Marvel. Packed with guided prompts, words of encouragement, and quotes from the film, the Captain Marvel Journal: Fly Higher! will inspire confidence and acceptance, encouraging kids to love themselves—and others—for who they truly are.

Captain Marvel School Planner: Be Bold, Be Brave
A Week-at-a-Glance Kid’s Planner with Stickers

Two hard-working school planners filled with official art from Marvel Studios’ movies Black Panther and Captain Marvel.

These spiral bound planners have everything a middle-schooler needs to stay organized in and outside the classroom. Each of the 52 week-at-a-glance spreads offers space for tracking classes and after-school activities, plus a place to note due dates for quizzes, tests, and projects. A dry erase page is bound in front of the planner so parents, teachers, and students can communicate. A super-cool sign language alphabet featuring superhero hands from the Marvel Cinematic Universe, a sheet of super hero stickers, and empowering, inspiring quotes throughout make these planners the most fun way ever to keep the school year under control.

MARVEL STUDIOS produces movies based on the world’s most prominent and iconic comic book empire. With a library of over 8,000 characters, Marvel Studios creates blockbuster film franchises including Iron Man, Black Panther, and Avengers: Infinity War.
I Am . . .

A Journal for Extraordinary Kids

Based on the bestselling series Ordinary People Change the World, this journal encourages kids to discover their heroic qualities.

Are you brave like Amelia Earhart? Compassionate like Abraham Lincoln? Curious like Albert Einstein? This prompted journal with a kid-friendly, customizable cover invites young readers to think about the heroes they’ve learned about and how being ordinary can often lead to extraordinary things.
